

# ***Walthamstow Superheroes***

**S**uperheroes help their friends, fight for justice and don't give up. You can be a hero too! You don't need to wear a cape to do something super. Be bold. Be creative. And do something positive at school, work, in your neighbourhood or on social media.

## **What are your super qualities?**

*For example, you're good at making friends and allies, you like being different.*

## **My superhero deed is...**

*For example, standing up to bullies, helping a charity, feeding a stray cat.*

## **Who are your heroes and why?**

*Think of someone who's inspired you, for instance a vlogger, an activist, an artist, your granny.*

**If you were a superhero, what name would you choose? What superpowers would you have? What would be your catchphrase? What would you fight for? Who would be your sidekick? What would you wear?**

Our superhero deed this year is running a petition to help give rabbits a better quality of life. Visit [change.org](http://change.org) and search for BAN THE HUTCH. Thank you for signing! #BanTheHutch
